ANNUAL TOWN MEETING WOLFEBORO, NEW HAMPSHIRE

March 9, 1982

Brewster Memorial Town Hall
Kingswood Regional High School

10:00 A.M.
7:00 P.M.

Pursuant to the foregoing warrant, the Town Meeting was called to order at 10:00 A.M. by the Moderator, Robert C. Varney.

After reading Articles 1 and 2, and Article 18, a motion was made by Thomas A. O'Dowd, seconded by Stanley E. Stevens, to refrain from reading the entire warrant until the evening meeting. Voice vote was in the affirmative and so declared by the Moderator. Voting by official ballot began at 10:10 A.M. and continued until 6:00 P.M.

At 7:00 P.M. the meeting was called to order at the Kingswood Regional High School, with Moderator, Robert C. Varney, presiding.

Following is the action taken on the various Articles in the 1982 warrant:

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$2,241,000.00 to perform the work on the Wolfeboro Water System as it relates to the improvements described in Stages II and III of the DuBois & King Study, dated April, 1980 including only those improvements on the Transmission System, and not including the Water Standpipe on North Main Street. Said money to be raised by the issuance of Bonds or Notes and to be paid from real estate taxes. (Submitted by the Board of Selectmen) (Recommended by the Budget Committee).

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$500,000.00 to construct a one million gallon water standpipe on North Main Street by the issuance of bonds or notes to be paid for from real estate taxes. (Submitted by Board of Selectmen) (Recommended by the Budget Committee).

As Articles 3 & 4 were related the Moderator asked that they be considered at the same time. A motion was made by James Hill, and seconded by Warren Thompson to adopt Articles 3 & 4 as read. Terry Lorber, P.E., Project Manager for Dubois & King spoke explaining the improvements needed to the distribution lines. Discussion followed. John McDermott moved to cease debate, seconded; voting by written ballot began at 8:05 with the polls remaining open the required time of an hour, as required by law when voting on a bond issue of this amount. The voting on Article 3 resulted in 87 Yes and 238 No. Article 4 had the following results: 84 Yes and 241 No. Articles 3 and 4 were declared defeated by the Moderator.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$18,000.00 for the construction of an addition to the present incinerator building, which will enclose the Consumat Incinerator unit, whereby damage to the water cooling system can be avoided during freezing weather. (Submitted by the Board of Selectmen) (Recommended by the Budget Committee). A motion was made by Lillian O. Brookes, seconded by Peter Brewitt to adopt the article as read. Mrs. Brookes presented the nature of the problem as it now exists at the incinerator. Voice vote on Article 5 was in the affirmative, and so declared by the Moderator.

ARTICLE 6. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Act of 1972, in the amount of \$85,252.71 for the purchase of and paying for the following list:

1. Fire Department Equipment	\$8,900.00
2. Highway Department Heavy Duty Truck	38,590.00
3. Snow Plow & Wing for Heavy Duty Truck	17,000.00
4. Sander	6,000.00
5. Partial Payment Toward Computer	9,500.00
6. Expense of Study Committee to Determine Computer Requirements	3,000.00
7. Fire Proof Filing Cabinets	2,262.71
	Total \$85,252.71

(Recommended by the Budget Committee) (Submitted by the Board of Selectmen). A motion was made by Allan E. Bailey, seconded by Paul R. Hatch, to adopt the Article as read. Discussion followed on the various amounts in the article. Voice vote was in the affirmative and declared unanimous.

ARTICLE 7. To see if the Town will vote to raise and appropriate a sum not to exceed \$75,000.00 to purchase the Kammler Buick Parking Lot located on the North Side of Glendon Street and to pay for it from taxes raised in 1982. (Requested by Petition) (Submitted by the Board of Selectmen) (Not recommended by the Budget Committee). A motion was made by Paul R. Hatch, seconded by Lillian O. Brookes, to adopt the Article as read. Joseph Santoro made a motion to amend the Article to read "not to exceed \$40,000.00." Seconded by John McDermott. Voice vote on the article as amended was in the affirmative. Paul R. Hatch made a motion to amend the Amended Article to read: To see if the Town will vote to raise and appropriate a sum not to exceed \$40,000.00 to purchase the Kammler Buick parking lot located on the North Side of Glendon Street and to pay for it with taxes raised in 1982; provided however that if the purchase cannot be negotiated, the Selectmen are further authorized to lease the said parking lot for the sum of \$1.00 (one) dollar a year, and to abate the property taxes on it during the term of lease; seconded by Lillian O. Brookes. Discussion followed. Voice vote on amendment was in the affirmative. Discussion continued. Roy Ballentine finally made a motion to terminate debate. Voice vote on the Article with its amendments was in the negative, and declared defeated by the Moderator. Mr. Hill moved to have the Article reconsidered, seconded by Paul R. Hatch. Voice vote to reconsider was in the negative, and so declared.

ARTICLE 8. To see if the Town will vote to raise and appropriate a sum not to exceed \$2,500.00 for the purpose of milfoil control. (Submitted by the Conservation Commission) (Recommended by the Budget Committee). A motion was made by James Hill, seconded by Henry Maxfield to adopt the article as read. Voice vote was in the affirmative, and so declared by the Moderator.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$24,868.00, as recommended by the Budget Committee, to fund Social Services and other organizations as provided by N.H. Statutes. Said appropriations to be allocated to the following:

1. Meals on Wheels	4,600.00
2. Day Care Center	3,500.00
3. Center of Hope	4,500.00
4. Nursing Association	700.00
5. Carroll County Mental Health	2,470.00
6. Historical House	1,000.00

7. Huggins Hospital	3,778.00
8. Lakes Region Association	2,020.00
9. Information Booth	2,300.00
	24,868.00

(Submitted by Selectmen) (Recommended by Budget Committee). A motion was made by Lillian O. Brookes, seconded by Dorothy Hill to adopt the article as read. Voice vote was in the affirmative, and so declared by the Moderator.

At this time, 9:05 P.M., the Moderator declared the polls closed on Articles 3 and 4; and counting commenced.

ARTICLE 10. To see if the Town will establish a Contingency Fund of \$10,000.00 to meet the costs of expenses not anticipated that may arise during the year. A detailed report of all expenditures from the Contingency Fund shall be made by the Selectmen and published with the Town Report. (Recommended by the Budget Committee). A motion was made by Lillian O. Brookes, seconded by David Senecal to adopt the article as read. Voice vote was in the affirmative, and so declared by the Moderator.

ARTICLE 11. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in this report and listed in the Budget. A motion was made by Judith Cole, seconded by Allan Bailey to adopt the Article as read. Discussion followed. Claude Roessiger made a motion, seconded by Walter Peterson, to reduce the Police Budget to \$215,000.00. John Carr moved to cease debate. Voice vote on the motion to reduce the Police Department budget was defeated. Richard Hammer made the motion to amend the Water Department Budget for improvements and increase the budget by \$200,000.00; seconded by Theodore Brigden. Voice vote on the amendment was in the negative, and declared defeated. Voice vote on Article 11 in the amount of \$4,986,260.00 was in the affirmative, and so declared by the Moderator.

ARTICLE 12. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay expenses in anticipation of taxes and Federal Grants. A motion was made by Fred Hall, seconded by Carl Willgoose, to adopt the Article as read. Voice vote was in the affirmative, and so declared by the Moderator.

ARTICLE 13. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1982 appropriation. Said funds to be placed in a special conservation fund in accordance with RSA 36-A:5. A motion was made by Warren Thompson, seconded by Dennis Bean, to adopt Article 13 as read. Voice vote was in the affirmative, and so declared by the Moderator.

ARTICLE 14. To see if the Town will vote to authorize the Conservation Commission be empowered to manage the Town Forests under the provisions of RSA 31:112 (II) and that any proceeds as might accrue from said forests be placed in a separate conservation fund to be managed by said Commission. A motion was made by James Hill, seconded by Lillian Brookes, to adopt the Article as read. Voice vote was in the affirmative, and so declared by the Moderator.

ARTICLE 15. To see if the Town will vote to authorize, allow and empower the Selectmen to sell and convey by quitclaim deed, the following list of properties following notice of sale by advertisement:

1. Lupien Lot, Map #1, Block #1, totaling 8 acres.
2. Hinds Lot, Map #21, Block #3, Lot 1 with 5.35 acres.

(The sale of the above parcels was recommended by the Conservation Commission). A motion was made by Lillian Brookes, seconded by James Hill, to adopt the article. Voice vote was in the affirmative, and so declared.

ARTICLE 16. To see if the Town will vote to have semi-annual billing of real estate taxes according to the provisions of RSA 76:15a. (Requested by Petition) (Submitted by the Board of Selectmen). A motion was made by John Carr, and seconded. A motion was made by Paul Hatch, seconded by Peter Brewitt, to amend the Article to read: To see if the Town will vote to have semi-annual billing of real estate taxes according to the provisions of RSA 76: 15a, said semi-annual billing to begin with the tax levy for 1983. Voice vote on the amendment was in the affirmative. Discussion followed. Arthur MacGregor made a motion to terminate debate. Voice vote on the Article as amended was in the negative, and the Article was declared defeated.

ARTICLE 17. To see if the Town will vote to authorize the Board of Selectmen to have constructed with volunteer labor and equipment, a special area at the Abenaki Ski Area to be used only for downhill snow sledding/coasting for those between the ages of 4 to 14. And further, to have this area near the warming hut, properly covered with liability insurance, ready for use by December 1, 1982, and supervised by the Town Recreation Director. (Requested by Petition) (Submitted by the Board of Selectmen). A motion was made by Joseph Santoro, seconded by Arthur MacGregor, to adopt the Article as read. Paul Hatch made a motion to pass over the article, seconded by Richard Clarke. Voice vote was in the affirmative, and the Moderator declared the Article tabled indefinitely.

ARTICLE 18. Zoning Amendments - results follow:

Amendment	Yes.	No.
1	270	544
2	239	573
3	270	537
4	543	232
5	556	217
6	512	255
7	492	274
8	615	179
9	612	196
10	579	204
11	558	232
12	536	227
13	585	181
14	685	124
15	525	200
16	519	263
17	589	206
18	453	252
19	447	252
20	502	199

ARTICLE 19. And to transact any other business that may legally come before the meeting. Paul Hatch asked that the audience give Donald Brookes a round of applause, as he has retired as Recreation Director for the Town.

James Hill made the motion, seconded by Stanley Stevens, that the meeting be adjourned. The Moderator declared the meeting adjourned at 10:05 P.M.

Respectfully submitted,
Rachael L. Jones, Town Clerk

THE STATE OF NEW HAMPSHIRE TOWN WARRANT

THE POLLS WILL BE OPEN FROM 10 A.M. to 6 P.M.

To the Inhabitants of the Town of Wolfeboro in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall Building, District Court Room, in said Wolfeboro on Tuesday, the eighth day of March, next at ten of the clock in the forenoon and Kingswood Regional High School at 7:00 P.M. to act upon the following subjects:

ARTICLE 1. To choose one Selectman for three years, a Treasurer for one year, a Trustee of Trust Funds for three years, one Auditor for two years, three Budget Committee members for three years, one Budget Committee member for one year, one Police Commissioner for three years, two Planning Board members for three years, and one Library Trustee for three years.

ARTICLE 2. To choose all other Town Officers and Agents.

ARTICLE 3. To vote to appropriate \$277,000.00 for the installing of a 10 inch water line on South Main Street from Pickering Corner to Treadwell Lane and to authorize the Selectmen to raise this appropriation by borrowing \$277,000.00 under the Municipal Finance Act. Repayment of any bonds or notes used for this project will be paid from real estate taxes. (Submitted by the Board of Selectmen) (Recommended by the Budget Committee)

ARTICLE 4. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Act of 1972, in the amount of \$80,449.75 for the purchase of and paying for the following list:

1. Highway Department Dump Truck	\$30,000.00
2. Town Manager's Car and Mobile Radio	5,500.00
3. Copy Machine	4,250.00
4. Sander	5,000.00
5. One half cost of Computer or Computer Service	29,000.00
6. Rescue Air Bag for Rescue Squad	3,135.00
7. Mobile Radio for Fire Department	800.00
8. Used Tag Along Roller	2,764.75
TOTAL	\$80,449.75

(Submitted by the Board of Selectmen) (Recommended by the Budget Committee)

ARTICLE 5. To see if the Town will vote to authorize a lease arrangement between the Town of Wolfeboro and the New Hampshire Department of Public Works for the Highway's maintenance building located on Route 109, between Route 28, and the Wolfeboro Railroad's Fernald Crossing. Said building to be used as a Wolfeboro Fire Department sub-station. The Town will be responsible for heat, electric, and insurance. The term of the lease will be one dollar (\$1.00) and other considerations and will be in effect until the building is declared surplus by the State of New Hampshire and will be offered to the Town to purchase, at which time the Town will again vote whether to purchase the building and land. (Submitted by the Board of Selectmen) (Recommended by the Budget Committee)

ARTICLE 6. To see if the Town will vote to rescind Article 9 of the 1980 Town Meeting, which authorized the Board of Selectmen to issue bonds or notes in the amount of \$98,000.00 for the purpose of revaluation of the Town. The bonds and notes were to be paid over a period of ten years. And further, instruct the Board of Selectmen to repay any and all notes borrowed for this purpose within five years as prescribed by RSA 33:3b. (Submitted by the Board of Selectmen) (Recommended by the Budget Committee)

ARTICLE 7. To see if the Town will vote to authorize that the Conservation Commission be empowered to manage the Town Forests under the provisions of RSA 31:112 (II), and that any proceeds as might accrue from said forests be placed in a separate conservation fund to be managed by said Commission. (Submitted by Conservation Commission)

ARTICLE 8. To see if the Town will vote to raise and appropriate the amount of \$50,000.00 to repave the entire length of Port Wedeln Road with hot top paving, improve the gravel base where necessary, remove large pine tree in roadway, raise level of entrance, relay each culvert and renew where necessary, and clean ditches along this roadway and pave driveway entrances. (Submitted by Petition) (Not Recommended by the Board of Selectmen) (Not Recommended by the Budget Committee)

ARTICLE 9. To see if the Town will establish a Contingency Fund of \$5,000.00 to meet the costs of expenses not anticipated that may arise during the year. A detailed report of all expenditures from the Contingency Fund shall be made by the Selectmen and published with the Town Report. (Recommended by the Budget Committee)

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of One Thousand dollars (\$1,000.00) for the support of the Community Action Outreach Program. (Submitted by Petition) (Not Recommended by the Budget Committee)

ARTICLE 11. To see if the Town will vote to raise and appropriate by taxes, the sum of \$41,000.00 for "Public Fire Protection" (formerly identified as "Hydrant Tax") as determined in the Rate Study by A.E. Hodsdon, Consulting Engineers, dated December 13, 1982. (Submitted by Petition) (Not Recommended by the Budget Committee)

ARTICLE 12. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in this report and listed in the Budget.

ARTICLE 13. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay expenses in anticipation of taxes and Federal Grants.

ARTICLE 14. Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000, or if married, a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's "residence." (Submitted by Petition)

ARTICLE 15. To see if the Town will vote to authorize, allow, and empower the Selectmen to sell and convey by quitclaim deed, the following list of properties following notice of sale by advertisement:

1. Crescent Lake Avenue, Map 10, Block 7, Lot 24.
2. Robie Lot, Map 16, Block 8, Lot 28.
3. Caron Lot, Map 16, Block 8, Lot 25.
4. Ruby Lot, Map 17, Block 1, Lot 4.
5. School House Lot, Map 22, Block 4, Part of Lot 6.

(The sale of the above parcels was recommended by the Conservation Commission)

ARTICLE 16. To see if the Town will vote to adopt the following Zoning Amendments:

Amendment #1. To see if the Town will vote to Amend Article V, Section C of the Wolfeboro Planning and Zoning Ordinance by increasing the minimum straight line frontage requirement in the Agricultural District from two hundred (200) feet to four hundred (400) feet and by increasing the minimum lot size requirement in the Agricultural District from two (2) acres to five (5) acres. Intent of this amendment is to follow recommendations in the Master Plan aimed at preserving the rural character of the Agricultural Zone.

Amendment #2. To see if the Town will vote to amend Article VI of the Wolfeboro Planning and Zoning Ordinance by adding the following provision: "The Board of Adjustment may, by special exception, relieve parking requirements in the Business 1A District." Intent of this amendment is for use as a temporary measure for the relief of parking in the Business 1A District until the next year when a permanent regulation will be written.

Amendment #3. To see if the Town will amend Article II, Section 6C of the Wolfeboro Planning and Zoning Ordinance by striking the following from the Business 1B Zone: "It shall also include all land extending a distance of 200 feet on each side of Route 28 and the Haines Hill Road, so-called, at the so-called Bourdon's Store for a distance of 500 feet from the intersection along each road. It shall also include all land extending a distance of 200 feet on each side of the roads intersecting at Bowman's Store, so-called, near the Boston and Maine Railroad tracks in East Wolfeboro from a distance of 500 feet from said Bowman's Store on each road." Intent of this amendment is to remove those two parcels of unused commercial property from the Agricultural Zone.

Amendment #4. To see if the Town will amend Article II, Section 6 of the Wolfeboro Planning and Zoning Ordinance by adding to the Existing Business District 1B all land within the following boundaries: The property known as "North Conway Lumber", described as follows: A certain tract or parcel of land situated in the Town of Wolfeboro, County of Carroll, and State of New Hampshire as is depicted on a plan entitled "Plan of Lands of Charles H., Earl J. Smith & Richard Kourian" prepared by White Mountain Survey & Engineering and dated January 16, 1981, said parcel being more particularly bounded and described as follows:

Beginning at an aluminum White Mountain Survey & Engineering disc set on the Southerly sideline of N. H. Route 28 at land now or formerly of James A. and Tirzah B. Cooney, said disc being approximately situated at station 16 + 087.13 of State of New Hampshire TLR project #14184 highway plan sheet 12 of 96 and which disc further marks the Northerly corner of the herein described;

Thence South thirty-three degrees fifty-seven minutes sixteen seconds East (S33° 57' 16" E) five hundred forty-five and fifty-five hundredths feet (545.55') along said land of Cooney and blazed line to an aluminum White Mountain Survey & Engineering disc at land now or formerly of Wolfeborough Railroad, said disc being thirty-three and no hundredths feet (33.00') Northerly of the centerline of said Railroad's tracks:

Thence South sixty-nine degrees thirty-six minutes thirteen seconds West (S69° 36' 13" W) five hundred sixteen and sixty-six hundredths feet (516.66') along

said land of Wolfeborough Railroad, maintaining said thirty-three and no hundredths feet (33.00') from said centerline to an iron pipe at land now or formerly of Allen A Realty, Inc.;

Thence North seventy degrees nine minutes eleven seconds West (N70°09'11"W) one hundred thirty-seven and seven hundredths feet (137.07') along said land of Allen A Realty, Inc. and blazed line to an iron pipe;

Thence North thirty-eight degrees fourteen minutes forty-one seconds West (N38°14'41"W) six hundred and thirty-six hundredths feet (600.36') along said land of Allen A Realty, Inc. and blazed line, to an aluminum White Mountain Survey & Engineering disc on the Southerly sideline of said N. H. Route 28.;

Thence in a general Easterly direction seventy-nine and ninety-eight hundredths feet (79.98') along the arc of a curve to the right having a radius of five thousand six hundred eighty and no hundredths feet (5680.00') and along said Route 28 to a concrete N. H. Highway Department bound;

Thence North eighty degrees twenty-nine minutes fourteen seconds East (N80°29'14"E) six hundred nine and seventy-three hundredths feet (609.73') along said Route 28 to an aluminum White Mountain Survey & Engineering disc set at land now or formerly of Cooney, being the point of beginning. Containing 8.351 acres or 3.38 hectares, both being the same, more or less.

(Submitted by Petition) (Recommended by the Planning Board)

Amendment #5. To see if the Town will amend Article II, Section 6 of the Wolfeboro Planning and Zoning Ordinance by eliminating the following boundary description: "thence Westerly by said Smith River to a point 200 feet perpendicularly distant from Center Street; thence Southwesterly parallel to and 200 feet Southeasterly of Center Street to Pine Street, thence Easterly and Southeasterly by Pine Street to a point lying 200 feet Northwesterly of the produced center line of Crescent Lake Avenue; thence Southwesterly parallel to and 200 feet from Crescent Lake Avenue to a point 200 feet Northeasterly of South Main Street; thence Northwesterly parallel to South Main Street and 200 feet therefrom to the Wolfeboro Tavern property; thence Southwesterly by said property and land formerly of Aileen C. & Frank J. Berry to land formerly of Everett Albee; thence by said Albee property to the point of beginning." and replacing it with: "thence Easterly by the said Smith River to a point opposite the stone wall separating Lot 10-5-36 from Lot 10-5-37; thence Southwesterly along said stone wall and a fence to the Southwest corner of Lot 10-5-30; thence Southeasterly and Southerly along the fence and stone wall which forms the Southern boundary of said Lot 10-5-30 to Lot 10-5-29; thence Easterly along the Northern boundary of said Lot 10-5-29 to a stone wall separating said Lot 10-5-29 from Lot 10-7-5; thence Southwesterly along said stone wall and a projected line thereof to a point in the center of Pine Street; thence Westerly along the center line of said Pine Street to a point opposite the Eastern boundary of Lot 10-5-2; thence Southwesterly, Southeasterly and Southwesterly again along the Eastern boundaries of Lot 10-5-2, Lot 10-5-1, Lot 6-10-1, and Lot 6-10-2 to South Main Street." The Lot numbers referred to in this amendment are the Wolfeboro Tax Map numbers as of January 1, 1983. Intent of the amendment is to increase the Zone in Business District 1B and to make more commercial property available for businesses to locate in the Downtown area; also to eliminate a series of lots divided by the zone boundary on the southerly side of Pine Street.

Amendment #6. To see if the Town will amend Article II, Section 6 of the Wolfeboro Planning and Zoning Ordinance by eliminating the following boundary description: "It shall also include all land extending a distance of 200 feet from Route 109 and the North Line Road, so-called, from the Boston and Maine Railroad to the Wolfeboro Center Cemetery, on the Southwesterly side of Route 109 and the North Line Road, it shall include all land from the Boston and Maine Railroad to the Northwesterly boundary of Hopewell and Parsons and its projection Northeasterly to the North Line Road, being bounded on the Southwest by land of Henry Maxfield and the projection of the Northeasterly boundary of such Maxfield land as lies Nor-

thwesterly of Route 28 Southeasterly to the Boston and Maine Railroad." and replacing it with "It shall also include all land at the intersection of Route 28, Route 109, and North Line Road (Wolfeboro Center) commencing at a point in the center of North Line Road opposite the Southwestern corner of Lot 16-12-5 (Keniston property) thence running Northeasterly to and along the Northwestern boundary of said Lot to a point two hundred (200) feet from the center line of said road; thence turning and running Southeasterly parallel to and two hundred (200) feet from North Line Road to and across Route 28 to and along the Northeastern boundary of Lot 16-4-6 (French property), maintaining a two hundred (200) foot perpendicular distance from the center line of Route 109, to the boundary between said Lot 16-4-6 and Lot 16-4-7 (Wolfeboro Center Church property, so-called); thence running Southwesterly along said boundary to the center line of Route 109; thence running Southeasterly along said center line to and across the Boston and Maine Railroad property to its Southeasterly boundary; thence Southwesterly along said Railroad boundary to a point opposite the end of the stone wall dividing Lot 16-11-8 (Kinville property) from Lot 13-2-23 (Beach property); thence Northwesterly across the said Railroad's property to and along said stone wall to and across Route 28 to the Southwestern corner of Lot 16-6-8 (Bly property); thence Northwesterly, Northerly, and Northeasterly along said Lot boundary to the Southwestern boundary of Lot 16-6-7 (Parson's property); thence Northwesterly and Northerly along said boundary and a stone wall to another stone wall dividing said Lot and Lot 16-6-5 (Chandler property); thence Easterly along said stone wall to the point where the Northwestern boundary of Lot 16-6-3 (Glidden property) meets said stone wall; thence Northeasterly along the said boundary of Lot 16-6-3 to North Line Road and the point begun at." The lot numbers referred to in this amendment are the Wolfeboro Tax Map numbers as of January 1, 1983. The intent of this Amendment is to remove inappropriate properties from the zone; i.e., Wolfeboro Center Community Church and the cemetery.

ARTICLE 17. To see if the Town will vote to designate the Dallas Road, formerly known as the Jenness Farm Road, located in East Wolfeboro between Cotton Valley Road and Stoneham Road, as a scenic road under the New Hampshire Laws of 1973 Chapter 586, RSA 253:17. (Submitted by Petition)

ARTICLE 18. To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain, which is harmful to the environment and economy of Wolfeboro, New Hampshire, and to the health and welfare of the people of Wolfeboro. (Submitted by Petition)

ARTICLE 19. To see if the Town will vote to instruct the Board of Selectmen to conduct a study, designed to provide information and/or recommendations to:

- (a) Determine the feasibility of entering into a contract for the operation of a Wolfeboro Incinerator by a private contractor;
- (b) Determine what economic benefits might accrue to the Town of Wolfeboro and the taxpayers should such a contract operation be approved;
- (c) Make any other recommendations which would result in the most efficient and cost effective operation of the incinerator facility;

and to make their report or any recommendations regarding this study, to the next Town Meeting, or Special Town Meeting which may be called. (Submitted by the Board of Selectmen)

ARTICLE 20. And to transact any other business that may legally come before the meeting.

Given under our hands and seal this sixteenth day of February, in the year of our Lord nineteen hundred and eighty-three.

EDWARD W. ZULAUF
PAUL R. HATCH
PETER D. BREWITT
Selectmen of Wolfeboro, N.H.

A true copy of Warrant—Attest:
EDWARD W. ZULAUF
PAUL R. HATCH
PETER D. BREWITT
Selectmen of Wolfeboro, N.H.

THE WOLFEBORO BUDGET COMMITTEE

1982 REPORT

The Wolfeboro Budget Committee consists of nine members, with three members elected each year for a three year term. The Board of Selectmen is represented on the Committee by one of their members as a voting representative.

Although the Budget Committee meets throughout the year, the majority of the meetings and the activity occurs in the three month period just prior to the annual town meeting. During this time, each town department head or representative of a town supported function will present its explanation for how funds have been expended in the past and what funds and their uses will be required in the future, usually defined as the next twelve month period.

During 1982, however, the Budget Committee began a three year program to introduce the zero-based budget approach to town management of funds. That concept's primary strength rests upon its opportunity to have each fund manager rejustify each category of expenditure with each budget cycle. In this way, no "sacred cows" become permanently entrenched in a department budget and each manager is constantly reviewing his expenditures to weed out those which cannot withstand the annual test of real need.

A further element of this approach is "task" funding. In the past, department managers would fund various aspects of town government requirements, but there was no single source to determine the combined cost impact of each department's support of the same objective. During 1982, major tasks/objectives were defined so that the budgets of coming years will clearly present to the town the consolidated impact of specific budget decisions.

Further, the Budget Committee is pleased to recommend to the town a level-funding budget for 1983. During an extremely tough economic cycle, the Board of Selectmen, the Town Manager, Town Department Heads, and the Budget Committee have worked exceptionally close together this year to keep the amount to be raised by taxes at the same level as was requested for 1982. Yet, at the same time, no significant town operational tasks were eliminated and the wages of more than 90% of the town's employees were raised according to the comparative wage scale system.

It is our firm hope and belief that the pattern of fiscal conservatism operating in consonance with management responsibility will continue in the years to come.

JOSEPH L. SANTORO
Chairman
Wolfeboro Budget Committee

WOLFEBORO WATER POLLUTION ABATEMENT FACILITIES

PRIMARY – SECONDARY PLANT:

The operation of the secondary treatment plant has improved with the installation of the new fine bubble aeration system. This improvement is part of the updating construction that has been going on at the treatment facility since the first of April, 1982. The target date for completion was slated for September 1st, 1982, but due to delays in equipment manufacturing and delivery time, final completion will not be until sometime in February, 1983.

The plant processed and pumped some 90,078,000 gallons to the holding pond at the spray area. Broken down, that means the average monthly flow was 7,506,500 gallons and the average daily flow at 246,740 gallons. This is about a 3% increase over the previous year and is not considered of any consequence since most of the increase is from additional units coming on the line and increase in use by one of the larger users.

TERTIARY TREATMENT FACILITY:

1982 saw the fifth year of operation of the spray irrigation system. We began operations May 12, 1982, and ended October 26, 1982. The three 60-HP pumps operated a total of 2,348 hours and pumped approximately 122,857,000 gallons onto one hundred acres of woods making up the spray areas.

This was the third and final year of the monitoring program required by E.P.A. The information is being evaluated and will be put into a report this spring. It still appears that there was no adverse effect on the ground and surface waters as a result of the spraying.

Respectfully submitted,
GORDON A. READE
Chief Operator

Once again, Wolfeboro was busy. Records show that a total of thirty-four building permits were issued for dwellings. Out of that total, there were thirty-one permits issued for single family dwellings; two permits, one for twelve condominiums and twenty-six units for the Ledges (housing for the elderly), and one permit for the vocational education center, for a total of sixty-nine units for the Town and providing employment for many tradesmen in the area.

I wish to thank the many town departments for their cooperation and all the tradesmen whose cooperation helped make my position as Codes Enforcement Officer easier.

DAVID A. SENEAL
Codes Enforcement Officer

ANNUAL REPORT OF THE HEALTH OFFICER 1982

There were no outbreaks of any serious communicable diseases in 1982. In the fall, however, many students at the Carpenter School were found to have head lice. This problem was skillfully handled by Mr. John Burnham and Joan Frye, R.N. and is now resolved.

There have been several significant changes in health care services here in Wolfeboro. Dr. Norman Kathan, a pediatrician, is practicing at the Huggins Hospital. The hospital now also has nuclear medicine and CAT scanning capabilities on a weekly basis as well as full time ultrasonography. These techniques allow diagnosis of internal problems without having to resort to surgical explorations. The hospital now has a full time respiratory care service that provides complete diagnostic and thereapeutic help in the treatment of acute and chronic respiratory disease.

The Southern Carroll County Hospice group based here in Wolfeboro has been a tremendous help to cancer victims and their families. There are ever increasing numbers of cancers being discovered by the above mentioned techniques, but much less rapid progress is being made in the areas of prevention and therapy.

There is also a silent epidemic of coronary artery disease. Hardly a week passes at the hospital without several admissions for coronary heart disease and its associated complications. As yet, the medical profession has been unable to significantly improve morbidity and mortality in this regard. Avoiding and treating risk factors (hypertension, smoking, diabetes, obesity, and hypercholesterolemia) would serve us all well.

Respectfully submitted,
JOHN W. FOLEY, D.O.
Health Officer

REPORT OF THE PUBLIC WORKS DIRECTOR 1982

As the reports of the immediate supervisors show, 1982 was indeed a busy year for all of us in the Public Works field. The key to this year's success was cooperation, planning and leadership by all concerned. We will continue to do this to serve the public in an efficient, economical, and courteous manner. The cooperation of many individuals is deeply appreciated by all of us, and a personal thanks to the Water and Sewer Rate Study Committee, for the excellent study of our Water and Sewer system and for the long hours spent by them.

Again, our thanks to all.

Respectfully submitted,
CURTIS A. PIKE
Public Works Director

REPORT OF THE WOLFEBORO HIGHWAY DEPARTMENT 1982

The following construction and improvement projects were completed during the past year:

1. The parking lot in front of the Town Hall building was rebuilt. The old paving was broken up, curbing relocated, additional gravel added and new paving laid. One hundred and thirty-five man hours were used for this project.
2. Pleasant Valley Road was rebuilt from Route 28 to the cross road. Installation of new drainage was started on May 14th, followed by excavation work. Gravel was hauled in, curbing was laid and paving was completed by private contractor. Final landscaping was completed on August 6, 1982. This project required one thousand, six hundred and twenty-nine man hours to complete.
3. The reconstruction of Varney Road, from Bay Street to Friend Street, was started on July 15th. New drainage was installed, excavation completed, and gravel hauled in. Paving was done by a private contractor. Final landscaping was completed on August 20, 1982. This project required nine hundred and eighty-two man hours to complete.
4. A section of Lakeview Drive was reconstructed with work starting on August 31st. New drainage was installed, the old material removed and replaced with gravel and pavement was replaced. The project was completed on September 28, 1982. It required three hundred and two man hours to complete.
5. On September 16th, a resurfacing project was started on a section of North Wolfeboro Road. Shoulders were cut down, ditches cleaned, and the old pavement broken up and leveled. A patch mix was then applied and rolled. This project was completed on September 24, 1982, and required one hundred and eighty-three man hours.
6. The improvement project on the upper section of Dallas Road was started on October 6th. Cutting was completed, ditches extended and gravel hauled in, completing the project on November 10, 1982, and requiring three hundred and forty-one man hours for the project.
7. New snow plow turn-arounds were constructed at Goodrich Road, Clow Road, New Garden Road, and Browing Road. This project took one hundred and eighty-one man hours.
8. Timber was cut for material and construction started November 10th, on a salt storage building. The building was completed on November 24, 1982, requiring two hundred and fifty-one man hours.
9. The improvement project on Trotting Track Road was carried on as time permitted. Trees were cut, rocks blasted, and removed, with some fill hauled into the area. One thousand, seven hundred and thirty feet of culvert and drainage pipe was laid at the following locations: Sewall Road, School Street, Pleasant Valley Road, Canopache Road, Varney Road, Lakeview Drive, Port Wedeln, Trotting Track Road, Hersey Road, and Dallas Road.

A sealer coat of tar was applied to Trotting Track Road, Beech Pond Road, and Old Mill Drive.

The following is a breakdown of projects worked on during the year and approximate man hours spent on each:

GENERAL MAINTENANCE

PROJECT	MAN HOURS
Patching	997
Grading roads	979
Hauling sand and gravel	873
Repair and cleaning of equipment	794
Cleaning ditches	763
Cutting trees and brush	650
Cleaning culverts	375
Work on signs	357
Laying culverts	240
Cleaning catch basins	208
Painting street lines	186
Sweeping streets	182
Mowing roadsides	179
Repairing sidewalks	167
Sweeping sidewalks	165
Replacing culvert posts	136
Screening sand	116
Draining water	114
Laying hot top	93
Picking up roadside rubbish	64
Repairing catch basins	64
Marking catch basins	52
Tarring	41
Mixing patch	40
Landscaping	27
Watering roads	26
Repairing shoulders	24
Thawing storm drains	8

In Memoriam

H. Fred Osgood served the Town of Wolfeboro for eighteen years as Superintendent of the Water and Sewer Department, from 1961 to 1979, when he was forced to retire due to failing health.

Throughout the years, Fred's devotion to the best interests of the Town was unswerving. He was totally committed to his department; tireless, hardworking, and always planning for its future.

The memory of Fred's wry sense of humor is shared by many who truly enjoyed it, and was often reflected in his annual reports to the Town about department affairs.

In their letter of acceptance of Fred's resignation, the Board of Selectmen wrote, in part: "The Town of Wolfeboro will be losing a devoted employee who always had the interest of his department and was always willing to assist those who called upon him for advice and assistance, thank you from all of us."

WOLFEBORO WATER AND SEWER DEPARTMENT 1982

FOREMAN'S REPORT WATER DEPARTMENT

The total main line meter reading for 1982 was 188,690,000 gallons. The Department will be replacing the old main line meter which will provide a more accurate reading than the old compound meter. The compound meter was installed in July of 1963 and put in service August 1, 1963. The total gallons recorded since August 1, 1963 are 3,510,798,000.

In order to maintain a steady pressure throughout the system, the Department installed a six inch pressure regulator at the Pine Hill Cemetery.

Upon the recommendation of the Rate Study Committee, the Department cut out three sections of water main which contained a heavy accumulation of rust. The turbulence this creates in the water, decreases the flow tremendously. Hopefully, the Department will be able to have these replaced in the future with larger lines.

The following was accomplished during the year:

- 22-Water meters installed (All year)
- 5-Water meters installed (Summer)
- 36-Water meter repairs (All year)
- 1-Water meter repair(Summer)
- 18-Water meters replaced, with remote readers (All year)
- 21-Water meters replaced, inside readers (All year)
- 11-Water meters replaced (Summer)
- 1-Frozen water service (Curb to house)
- 2-Frozen water service (Main to Curb)
- 17-Repairs to water mains (All year)
- 23-Repairs to water services (All year)
- 12-Repairs to water mains (Summer)
- 5-Repairs to water services (Summer)
- 8-New water services (All year)
- 7-Repairs to hydrants
- 1-Hydrant replaced

229 hours of free, non-reimbursed labor to other departments.

1100 feet of 1 1/4 inch, 160 lbs. plastic pipe to feed Piper Shores from the Keewaydin Cottages line, Keewaydin Road. (Summer)

400 feet of 1 1/4 inch 160 lbs. plastic pipe to replace section of 1 1/4 inch galvanized pipe on Hopewell Shores, Forest Road. (Summer)

600 feet of one inch, 160 lbs. plastic pipe to replace the galvanized pipe at Happy Haven Line, Whitten Neck Road. (Summer)

Cleared the screen pit at Beech Pond.

Cut brush on the wild line at Beech Pond.

WATER MAINS INSTALLED BY OTHERS

1565 feet of 6 inch cast iron, cement lined pipe, and one (1) hydrant for the Mountain West Condominiums (Pollini Brothers Construction)

393 feet of 6 inch Ductile Iron, cement lined pipe, and one (1) hydrant for the Ledges Home for the Elderly. (Watson Construction, Contractor)
 200 feet of 6 inch Ductile Iron, cement lined pipe for the Sky Ridge Condominiums (Norris Harriman, Contractor)

I wish to take this opportunity to thank my crew for a job well done, and the Water Department wishes to thank the Rate Study Committee, office personnel, citizens, other departments, and anyone else who assisted us this past year.

Respectfully submitted,
 LAWRENCE A. SWINERTON,
 Foreman
 Wolfeboro Water Department

WOLFEBORO WATER AND SEWER DEPARTMENT

FOREMAN'S REPORT SEWER DEPARTMENT

1982 has been a normal year for this Department with the Department encountering the usual plugged mains and maintenance problems.

The Mill Street pumping station experienced some problems with the electrical controls. New Gorman Rupp pumps were installed at the Lehner Street pumping station by Water Industries of Alton, New Hampshire. These pumps were installed upstairs in order to more than double the wet well capacity.

The Department spent many hours performing inspections on two main line sewer extensions which were installed by contractors on Center Street and North Main Street.

- 6-plugged sewer services (Private)
- 8-plugged sewer mains
- 4-new sewer services
- 8-repairs to sewer mains
- Painted trim on two pumping stations

SEWER MAIN EXTENSIONS BY OTHERS

460 feet of 8 inch schedule #35 sewer pipe for the Ledges Home for the Elderly. (Watson Construction, Contractor)

1000 feet of 8 inch schedule #35 sewer pipe for Sky Ridge Condominiums. (Norris Harriman, Contractor)

Once again, I would like to thank my crew, the Rate Study Committee, office personnel, citizens, and other departments for their assistance throughout 1982.

Respectfully,
LAWRENCE A. SWINERTON,
Foreman
Wolfeboro Sewer Department

WOLFEBORO

CRIME AND ACTIVITY CLOCK

EVERY **14.5** HOURS, A REPORTABLE INCIDENT OCCURS
EVERY **6.8** DAYS, A BURGLARY OCCURS
EVERY **2.7** DAYS, A THEFT OCCURS
EVERY **33.4** HOURS, SOMEONE IS ARRESTED
EVERY **35.3** HOURS, A SUMMONS IS ISSUED
EVERY **5.3** HOURS, A MOTORIST RECEIVES A WARNING
EVERY **1.6** DAYS, A POLICEMAN RESPONDS TO AN ALARM
EVERY **2.2** DAYS, A MOTOR VEHICLE ACCIDENT OCCURS

WOLFEBORO POLICE DEPARTMENT

The number of reportable incidents remained fairly constant from 1981 to 1982. There were only six fewer cases in 1982. However, July and August surpassed 1981 by a considerable margin. The average number of reportable incidents remained at 51 per month. Tables are provided for comparison further in this report. Of special interest is the crime and activity clock, indicating the frequency of certain types of activity.

Training continues to be a high priority for the department. The New Hampshire Police Standards and Training Council continues to mandate minimum levels of proficiency for police officers and Wolfeboro meets or exceeds those requirements. Innovative areas of specialized training in situational responses were designed by Lieut. Irvin, to provide practical application of skills learned in the classroom. This program was met with enthusiasm by the officers.

It was with a great deal of regret that the department received the resignation of Mr. Fred Brokaw as a Commissioner. Mr. Brokaw had faithfully served for six years and his elder statesmen presence is missed. Mr. Brokaw was replaced by the appointment of Mr. Michael Lampron to fill the remaining months of Mr. Brokaw's term. Mr. Lampron has served with zeal and dedication and I extend my thanks to him, as well as Commissioner Raymond Dumont and Commissioner Hope MacDonald, for their continued support and assistance.

I would like to conclude this year's report by expressing my gratitude to the men and women who so unselfishly give of their time and talent to serve as Special Police Officers, Volunteer Firemen and Rescue Squad members for the Town of Wolfeboro. It would be impossible to maintain the level of service currently provided, and the quality of life in Wolfeboro is greatly enhanced through their dedicated efforts.

Respectfully submitted,
STANLEY E. STEVENS, Chief

PARKS AND RECREATION DEPARTMENT

1982

The 1982 ski season at Abenaki Ski Area was definitely a success thanks to the large amount of snow fall. Abenaki operated ninety-three (93) skiing days including Easter Sunday. Not only were the downhill skiing trails busy, but Abenaki saw over two thousand (2,000) skiers use the cross-country trails in the month of February, alone.

As the fall of 1982 approached, individual volunteers and the Kingswood Regional High School Ski Team began to work on existing trails and buildings, repairing and up-dating them for the 1983 season. Thanks to these citizens of Wolfeboro, the Abenaki Ski Area has improved its facilities once again.

Construction of a new downhill trail has begun and, hopefully, it will be completed and ready for use in the 1984 season.

The Wolfeboro Youth Soccer Program was offered again this summer and fall. Thanks to a group of concerned parents and the coaching staff of Jim Bean, Peter Fraser, and Jim Belisle, the participating youth not only learned the skills of soccer, but the conduct of good sportsmanship.

The department would like to thank the Wolfeboro Swim Team, and Head Coach Howie Pride, for their cooperation and congratulate them on a highly successful season.

Brewster Beach saw Head Lifeguard, Jennifer Haughey, returning this season with Jennifer Fraser as assistant, both doing a fine job as lifeguards and swim instructors. Amy Swift also joined the staff as lifeguard at Carry Beach, doing an equally fine job.

The Town Tennis courts were busy as ever this year, with lessons and tournaments under the direction of Michael Phelan and the courts being utilized sixteen (16) hours per day throughout the peak summer period.

A very popular program offered this summer was the Summer Activity Program at Foss Field for youth ages 7-11. The highly successful program, under the direction of Barbara Dane and volunteer assistants, Caroline White and Becky Davis, focused on three major areas: (1) development of group interaction skills; (2) introduction to games and sports, focusing on skills and instruction; (3) opportunities for creative work in arts, crafts, and drama. In addition to the sports, crafts, etc., the group also participated in field trips and interaction with other Carroll County communities offering similar programs.

The Wolfeboro Girl's Softball team (Ages 13-16), coached by Barbara Dane and Ralph Hansel, had an undefeated season this year in the Carroll County Recreation Association League. Congratulations to the team members and coaching staff.

During the months of August and September, the department sponsored BMX Races at Abenaki Ski Area. The department would like to thank the parents and local businesses who contributed to the popularity and success of this program. Future plans for this program include expansion of the tracks and a longer racing season.

I would like to close by thanking the many concerned citizens, the Wolfeboro Selectmen, the Town Departments, civic organizations, youth groups and the media

for the support and assistance you have given me in my first year as Director of Parks and Recreation for the Town of Wolfeboro. I am looking forward to working with you in the future.

A special thanks to retired Parks and Recreation Director, Donald Brookes, for all his cooperation and assistance this past year.

Respectfully submitted,
WADE L. LEMMON, Director
Parks and Recreation Department

Chairman

REPORT OF THE TRUSTEES OF TRUST FUNDS

To the Board of Selectmen
Town of Wolfeboro, N.H.

Gentlemen:

We submit herewith the attached statement of the Income and Disbursements of the Trustees of Trust Funds for the Town of Wolfeboro and the Capital Changes and Additions to the Principal Accounts for the year ending December 31, 1982.

Respectfully submitted,

VERNON JOHNSON, Treasurer
JOHN M. BALLARD
JOHN W. McDERMOTT

REPORT OF THE LIBRARIAN

The yearly circulation of books, periodicals and pamphlets, phonograph records, tapes, books and films borrowed from the New Hampshire State Library and other libraries on interlibrary loan was as follows:

Adult Fiction	22,581
Adult Non-Fiction	12,468
Young People's Books	13,618
Periodicals and Pamphlets	3,758
Phonograph Records	299
Tapes	334
Books Borrowed from the State Library District Office	1,159
Films Borrowed from the State Library	151
Books Borrowed on Inter- Library Loan	589
Reference Questions Answered	2,397
Books Added During 1982	1,367
New Cards Issued	654
Patrons Re-Registered	974

The Summer Reading Game for children, an eight week program based on Monopoly, was an outstanding success again this year. Ninety-one children enrolled to play this board game which offers a wide variety of reading choices depending on where he or she landed on the board. "Book Bucks" were earned by the children who cashed them in for prizes at a party held at the end of August. The Friends of the Library supported this program by underwriting the cost of publicity, handouts, and prizes. Camelot Book Store also donated a few certificates to the top winners, and Bailey's Restaurant provided ice cream to all who came to the awards party. Calligraphy for the certificates was done by Sara Oakes, and refreshments at the party were provided by volunteers and the library.

Pre-school storytime is held every Tuesday morning at 10:15 throughout the year except for the month of September. The program which lasts about a half an hour is run by volunteers and the librarian. During 1982 an average of 13 children came to story hour each week. The librarian wishes to thank the following volunteers who helped make this program the success it is: Dorothy Fabian, Maria LaGuardia, Wilma Mork, Joan Phenix, John Skelton, Jane Talpey, and Carol Truebe.

Twenty-eight free film programs were presented by the library in 1982. In January a film festival for the entire family was held every Saturday afternoon. During the summer months films for children were shown every Friday morning. This very popular ten week program was attended by 715 persons. At least once a month a movie was shown to pre-schoolers at their regular Tuesday morning story time. A total of 1156 persons viewed these 52 films all of which were borrowed from the New Hampshire State Library free of charge.

In 1982 the library was selected as one of twenty libraries to participate in a program entitled *Yesterday Again: New Hampshire and Energy Tomorrow*, a project sponsored by a grant from the National Endowment for the Humanities. A talk and slide presentation by Professors Walter Tatara and William Neikan of Plymouth State College comprised the first program. The second program, planned by the library, was presented by Russell Lanoie of Conway on practical ideas for energy conservation around the home. Enthusiastic audiences attended both programs. Included in the grant was \$200 to purchase books to supplement the library's collection in the field of energy. Many books on solar energy, retrofitting, underground shelters, wood heat, and related energy subjects were purchased.

The Friends of the Wolfeboro Public Library are a strong support group of persons whose reason for being is to stimulate use of the library's resources and services and who want to focus public attention on the library as well as receive and encourage gifts, endowments and bequests to the library. During 1982 the Friends held a successful book sale in June, supported the Summer Reading Program for children, contributed toward the purchase of boxes in which magazines are stored, donated \$200 for the purchase of children's books in memory of former librarian Gladys Holt Tuttle, and offered many interesting programs at their meetings. Dues are nominal. Bi-monthly meetings are held at 8 p.m. in the library on the fourth Thursday of July, September, November, January, and March with the annual meeting in May. Check with the librarian for additional information.

The library provides delivery service to shut-ins, including elderly readers without transportation, the handicapped of any age, and those temporarily incapacitated by illness or accident. The Outreach program provides tapes of the *Granite State News* to persons who are blind or too handicapped to read ordinary print. Please contact the librarian at 569-2428 for more information about these two free services. Each week Don Benjamin prepares a tape of the local newspaper, and John Magee duplicates the tape on the library's duplicating machine. Many hours of volunteer time go into this invaluable service, and the librarian wishes to thank Mr. Benjamin and Mr. Magee for their continued dedication to this program.

Gifts to the library in the form of books, magazines, and monetary donations are numerous each year. The librarian wishes to thank all those who gave so generously to the library again this year. The library has set up a special memorial fund in memory of former librarian Gladys Holt Tuttle who died in

1981 and welcomes books or donations for the purchase of books in her memory.

In 1982 the Trustees of the library voted to begin microfilming the *Granite State News* in 1983. This project will not be completed for several years, but it is definitely a step toward preserving the newspaper and making it more accessible to the public.

The staff of the library--Mary Davis, Kate Hartman, Pat Herrmann, and Ruby Pearson--helps to keep the library running effectively and efficiently. Their hard work and dedication is greatly appreciated.

LOUISE GEHMAN
Librarian

REPORT OF THE LIBBY MUSEUM

1982

The 1982 season at the Libby Museum was truly spectacular. Eleven thousand eight-hundred and thirty-six (11,836) visitors came to the Museum to enjoy the exhibits and a complete range of special events. It is again interesting to note, that even though we had visitors from sixteen foreign countries and all fifty states, almost half of our guests were from Wolfeboro and other Lakes Region communities.

The special events were very popular. Over two-thousand people attended eight film showings. Eight hundred attended the slide shows and more than four hundred children received instruction at the Saturday morning sculpture classes. Forty-two local artists and photographers displayed their work at the Museum.

Contributions of exhibit materials for the Museum have increased greatly. The Museum has received more than two hundred new birds, fish and animals, which we hope to place on exhibit during 1983. Local organizations, such as the Garden Club, the Historical Society and the Rotary Club, have begun to use the Museum not only for meetings, but also for their special events. We hope this trend continues in the future with more organizations taking advantage of the facility.

Some of the money raised by special donation in 1981 for a restoration fund was put to use in 1982. All the original mounted exhibits have been cleaned and restored by Jeffrey Currier, a young taxidermist who summers in Wolfeboro. Mr. Currier has also completed the mountings for the new lake fish exhibit. The Museum was very fortunate to have the services of two CETA employees, Miss Mindy Jones, and Miss Julie Wheeler.

The annual cocktail party was once more a fantastic gatherings. More than 225 of the 332 ticket holders attended what once again became a "Gourmet Feast" as well as a cocktail party. All food, liquor and mixers were donated, as well as the tickets, glasses, etc., making the social event of the Summer a big financial success.

The major credit, once again, for the success of the Museum should go to the hundreds of individuals, organizations, Town employees, local businesses, schools, camps and the press who gave most generously of their time and money. They are far too numerous to list in this report, but they know who they are and can be justly proud of their parts in the continuing success of the Museum.

During the 1983 season at the Museum, we will continue to refine and expand many of the programs now under way. With a lot of luck we may be able to begin construction of the new mezzanine under which we hope to erect natural history dioramas. The upper level will enable us to display many of the artifacts and collections now held in storage. If a sponsor can be found, we hope to again run a nature film series. Weekly art and photo exhibits will continue and several slide shows will be given. The children's sculpture classes will again be held on Saturday mornings. Of course, the annual gourmet cocktail party will be held. the Selectmen have given the go ahead to a limited version of the traveling Museum. We will, hopefully, now be able to transport some mounted exhibits and Indian artifacts to the County Home, hospital and schools. The Indian Trail Maps of the Lakes Region have sold very well. Hopefully, we can also publish some other interesting things in the near future.

We would like to thank the Wolfeboro Selectmen, who as Trustees of the Libby

Museum, have allowed us to be their curators. The Libby Museum is a treasure belonging to all the citizens of Wolfeboro. Properly nurtured and supported, it will continue to be a great educational asset for generations of children to come.

Respectfully submitted,
 PETER D. SHULMAN, Curator,
 GAYE ANNE SHULMAN, Assistant Curator

LIBBY MUSEUM

South Wolfeboro's ancient "Monitor" hand-engine, fully restored and resplendant in polished brass and gold trim, just the way it came from William Hanneman's Boston Workshop in 1842, emerges from the door of Wolfeboro's newly completed fire museum on the Clark House historical site.

The "Monitor", oldest of Wolfeboro's historic fire apparatus, together with the "Carroll" hand engine (1845), the 1850 hose cart, and the 1890 "Monitor" 2-horse hose wagon, were all restored by dozens of volunteers, under the direction of Donald Hallock, and the project was funded by many contributions given to Wolfeboro Historical Society, sponsors of the restorations.

The replica fire-house, built by Kingswood High School building trades students, also displays a massive "Amoskeag" steam-pumper (1872), owned by Dave Bowers, and numerous other historic fire-fighting artifacts.

This unique museum is being considered for a national award for local historical society projects.

ANNUAL REPORT OF THE WOLFEBORO HISTORICAL SOCIETY

The success of the Wolfeboro Historical Society for 1982 is because of the care, concern, interest, and cooperation among the members, town officials, local organizations, the *Granite State News* and other newspapers, Radio W.A.S.R., and other historical societies. Without the combined efforts of so many caring people, your present Cate Park with land and buildings would be just that, a small area of land with an old building on it in the southwest part of town. The Society has had fifty-six (56) years of progress since the established agreement between the Society and the Town of Wolfeboro on August 31, 1926. That old saying is so true... "You've come a long way, baby."

Whether we are society members or just citizens of Wolfeboro, we all owe a special "Thank You and Congratulations" to Mr. Donald Hallock and his construction, re-construction and repair crews for all their efforts for a job well done on the old fire engines and equipment. And the same to Governor Wentworth Regional School District for the construction of the new Fire Museum, supervised by Mr. Mark Rines and built by his board-cutting, tape measuring, nail-pounding crew from the Building Trades Class. The Society now has a third building as part of the Clark Park complex. The new Fire Museum houses two Carroll Engines with a Tender and Hose Wagon plus other support items and equipment. It also houses a restored 1875 horse drawn Amoskeag Steam Pumper fire engine, here on loan to the Town of Wolfeboro from David and Christine Bowers of Wolfeboro, N.H. The Bowers' most generous contribution to the Fire Museum project and the loan of the old fire engine will long be remembered. Make it a point to visit your new Fire Museum.

During the last few years the Society has been very much concerned with the need for the security from intrusion and fire. And now with another building and its contents, this need was acted upon by the Board of Directors and presented to the Society for consideration. A most generous donation and reasonable cost of necessary equipment needed for the security of the three buildings was offered to the Society by Mr. Patrick J. O'Keefe, of the Knight Security Alarm Co. of Wolfeboro, N.H. The system has been installed and is working at protecting those items and things that have far more meaning than just the dollar value.

The Clark House and the Pleasant Valley Schoolhouse were opened to visitors for guided tours with Mrs. Joan Kimball, Curator, and her assistant, Miss Melony Kimball, during July and August, while the Fire Museum was operated by volunteer personnel during the same period.

The Wolfeboro Historical Society meets the first Monday of each month at 7:30 p.m. except December and January. You are welcome to join us for a visit any time or visit us as a member all the time.

Respectfully,
HARRISON D. MOORE, President
Wolfeboro Historical Society

ZONING BOARD OF ADJUSTMENT 1982

Thirty-two cases were reviewed by the Board of Adjustment during the calendar year of 1982. Fifteen were for Variances and fifteen were for Special Exceptions. One case was for an Administrative Decision. One of these cases were rehearings and one appeal was withdrawn with no decision rendered.

The Variance Appeals included the following:

- 1 To build housing with less than required frontage.
- 3 Construction with less than required set-back.
- 1 Conversion of barn to housing.
- 2 More signs than allowed by ordinance.
- 4 Business in the Residential zone.
- 2 Enlarge size of conversion.
- 2 Business with less than required parking.

The Special Exception Appeals included the following:

- 8 Home Occupation.
- 1 Construct an antenna.
- 1 Increase a Non-conforming use by less than 25%.
- 1 Construct a Vocational Education Building.
- 2 Convert up to four dwelling units.
- 1 Construct a church in the Residential zone.

On initial appeal, seven Variances were denied and eight were granted. Fourteen Special Exceptions were granted. One was reheard and granted again. The Administrative Decision Hearing was an Appeal against a decision of the Codes Officer involving Point Breeze. The Code Officer's decision was upheld.

Respectfully submitted,
PETER D. SHULMAN, Chairman
ROGER MOODY
MILDRED BEACH
WARREN TICKLE
HELEN BRADLEY

PLANNING BOARD

The Wolfeboro Planning board signed 8 lots of record and 23 subdivisions during 1982. The Board also approved 32 site reviews. Two of the more notable site reviews were for the new Vocational Educational Building and a new church on North Main Street.

The Board will, in the future, hold hearings on all applications to the Wetlands Board involving properties within the town.

The Board held a number of work sessions to prepare recommended changes in the zoning ordinance for the 1983 Town Meeting. Most notable of the proposed changes are the increase in the lot size in the Agricultural zone and the boundary adjustment of various sections zoned Business 1B.

Respectfully submitted,
PETER D. SHULMAN
Chairman

REPORT OF THE TREE WARDEN

1982

In 1982, Wolfeboro became one of just five towns in New Hampshire to receive the Tree City USA Award for its outstanding urban forestry program. It is the first time the town has received this national recognition.

The Tree City USA honor comes from the National Arbor Day Foundation, a Nebraska-based organization dedicated to encouraging tree care and tree planting programs across the country.

To become a Tree City USA award winner, a community must meet four standards: a town tree ordinance, a legally constituted tree board or department, a comprehensive urban forestry program, and an observance of Arbor Day.

An annual designation, the Tree City USA Award should now become a yearly by-product of the town's tree care program.

The Tree Warden completed several major projects in 1982. Due to the locally heavy infestation of gypsy moth caterpillars, the Town undertook a large two-phase spraying program. Included in the spraying were roadside trees from South Wolfeboro past the Libby Museum, Center Street out to Allen Road, and Pine Hill Road, (Route 109A) to Waumbeck Road. Other areas sprayed were Clark and Cate Parks, plus a small area around Carry Beach. By using a mist spray, the total cost of the two-phase program was kept down to \$1,500.00

The 1982 tree planting totalled twenty-four trees. Most of the trees were planted on side streets, instead of the main streets as has been done in previous years. Five trees were planted at Foss Field and five were planted next to the Back Bay channel between the Wolfeboro Railroad Station and the Wolfeboro Oil Company storage building.

The Tree Warden coordinated the planting and landscaping in front of the I.G.A. food store parking lot along South Main Street. Five maple and two crab apple trees were planted. The Town did the excavation, provided loam, furnished two maples and the two crab apples, while Bartlett Tree Company (who did the planting) donated two maples. The I.G.A. paid for all labor and all railroad ties. As these trees grow, they will provide the much needed shade which has been lacking for so many years in that area.

Liquid fertilizing was done on twenty trees in Cate Park and Foss Field, plus extensive pruning was finished in Clark Park and on the giant silver maples on Glendon and Lehner Streets.

Special thanks are extended to the crews of the Municipal Electric Department and the Public Works Department for their help with pruning and removal of trees and stumps.

Respectfully submitted,
WILLIAM H. SWAFFIELD,
Tree Warden

VISITING NURSE ASSOCIATION of Wolfeboro and Vicinity

ANNUAL REPORT 1982

A total of 7414 home visits were made by the staff of the Visiting Nurse Association to 520 residents of our service area. The overall increase in visits is due to many factors, including earlier hospital discharge, greater awareness of our services by the general public and increasing co-operative efforts and referrals between home health care providers. Federal regulations to attempt to contain hospital costs are now in effect and will result in even greater utilization of Home Health Services.

Home Health Care has always been the primary function of this Agency, but Community Services and Clinics are consuming an increasing amount of Staff time. Adult Health Screening Clinics, in co-operation with local Lions' Clubs; Blood Pressure Screenings; and our Well Child Clinic Program have provided health services to an additional 1067 individuals in the past year.

In December we were able to offer dental cleaning and flouride application to children enrolled in our Well Child Clinic Program for the first time. These children will be scheduled to receive this treatment every six months.

Through contracts and co-operative agreements we have provided services to residents of The Ledges, and to the WIC Program of Southern Carroll County, the Wolfeboro Area Children's Center, the Wolfeboro Senior Citizen's Group, Hospice of Southern Carroll County, school children of Alton, Wakefield, and the Governor Wentworth Regional School District, Carroll County Mental Health, Carroll County Health and Home Care Services, and Lakes Region Community Health Care. These co-operative services are cost effective for all programs and result in increased services for a greater number of residents.

We are grateful to the many local civic organizations who have donated equipment, services, and financial support to our Agency Programs; to organizations which have made space available for Clinic Programs, to the School Nurses and the many volunteers who have assisted us in providing services, and to you the taxpayers for your continued support of our appropriation requests.

Respectfully submitted,
DAVENA R. DEWOLF, R.N.
Nurse Administrator

TOWN FOREST – TUTT LOT

4.12 Acres

The Tutt Lot was given to the Town of Wolfeboro by Bernard Tutt in 1926. Seedling Pines were planted about 1930 by Leslie Chamberlain and the lot was thinned in 1969. Selective cutting was completed in 1981 and the next selective cutting will be performed in approximately ten years.

ANNUAL REPORT OF THE CONSERVATION COMMISSION

The highlight of 1982 was the generous donation of 35 acres of wetlands in the Ryefield Brook area next to Lake Wentworth. At the request of the donor, a monument was erected at the site which carries the following inscription:

Ellie's Woodland Walk

This land was given to the Town of Wolfeboro by

Eloise Linscott

1897 - 1978

in the interest of conservation forever. To be
managed by the Wolfeboro Conservation Commission.

Eagle Scout candidate Mark Kagel and others have cleared and marked trails in the area. A footbridge has been constructed across the beaver dam with help from the Municipal Electric Department and donations from those interested in preserving this area. We urge everyone to visit and enjoy this beautiful wildlife habitat in Wolfeboro.

Your commission has continued to develop and implement management plans for town-owned forests. The plans included deed research, surveying, and improvement cutting where appropriate. Income from the sale of poor quality trees is used to offset the cost of these programs. Selective timber harvesting improves the health and value of the remaining trees. In 1982, a major improvement cutting program was started on 315 acres of town-owned forest surrounding Upper Beech Pond. Timber harvesting was also started on the 56 acre Brown Lot off Route 28 near the Ossipee town line. Two small lots that were considered of little value to the Town were recommended for sale.

A continued annual milfoil harvest in Front Bay is beginning to show results. Many have noted that the spread of this undesirable weed has slowed. Milfoil thrives on calm water and nutrient-rich bottom soils. Milfoil can be controlled when underwater cutting removes both the milfoil and its absorbed nutrients which makes the bottom soils less attractive to future growth. The use of herbicides for treating large milfoil areas is prohibited, particularly since the lake is a source of water for many residents. The Commission appreciates the support of the Abenaki Water Ski Club and local property owners who have helped to share the cost of this program.

Work continues on a study of the effects of sewage irrigation on forest growth at the spray irrigation site. A research paper on this study by a graduate student in the Forestry Department of U.N.H. is expected to be published shortly.

Caution was recommended last year on widespread efforts to control the gypsy moth. The Commission and many foresters felt that aerial spraying was both expensive and unproven. Fortunately, the gypsy moth population decreased naturally last summer and this pest should not threaten Wolfeboro again for a few years.

WOLFEBORO HISTORIC DISTRICT COMMISSION

During 1982 the Wolfeboro Historic District Commission received from North Wolfeboro Historic District residents nine applications for certificates of approval. These ranged from minor alterations to an addition to a house and to construction of one barn and demolition of another. After discussion and questioning all the proposed actions were found to be in harmony with the Wolfeboro Historic District Commission Ordinance and the criteria previously adopted by the Commission.

The commission meets every other month, (January, March, May, July, September, and November), on the second Tuesday at 8:00 P.M., in the Codes Enforcement Officer's office at the Town Hall building. All meetings are open to the public.

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Forest Fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 STATISTICS

	State	District	City/Town
No. fires	391	34	5
No. of Acres	161 3/4	17 1/2	4 1/2

WOLFEBORO FIRE DEPARTMENT

CHIEF ENGINEER'S REPORT

The Fire Department answered a total of 161 alarms for the year which consisted of 15 engineer calls, 16 box alarms, 129 still alarms and 1 brush alarm. Forty-two of the still alarms and three box alarms were wood stove related.

In responding to the calls 2546 miles were traveled, 2033 man hours of labor employed, 2305 feet of 1 inch hose, 1350 feet of 1½ inch hose, 1200 feet of 2 inch hose, 500 feet of 2½ inch hose, 3700 feet of 3 inch hose were used and 1442 feet of ladders raised.

The members of the department assisted the local schools and Huggins Hospital with fire drills. Extinguisher classes for Huggins Hospital employees and Governor Wentworth Bus Drivers were held.

Twenty-nine oil burner installations, ten homes for day care, eight places of assembly, two shared homes, sixty-nine chimneys and wood stove installations were inspected.

Several members attended fire schools in Gilford, two attended in Meadowood, one in Gorham, one for three days in Providence, R.I., and one for five days in Lexington, Mass. Joint meetings of all companies were held through the summer.

The fire boat was painted and lettered. Some fire boxes were painted and new signs placed on some poles.

Some two inch hose, a new radio for Eng. III, one new self contained air mask and some small items such as boots, coats, helmets and gloves were purchased. Two old air masks were converted to pressure demand.

Sincere thanks is extended to all town officers and departments, the *Granite State News*, WASR Radio Station and to all call men.

Respectfully submitted,
CHARLES FOSS
Chief Engineer

REPORT OF THE RESCUE SQUAD

1982

For 1982, the Rescue Squad responded to 148 calls: 80 medical aids, 21 motor vehicle accidents; 30 fires; and 17 miscellaneous runs, including training programs and stand-by services for civic and public functions.

All squad members are nationally registered Emergency Medical Technicians. Several are EMT-intermediate, being certified in the application of the Esophageal Obturator Airway (EOA) and Medical Anti-Shock Trousers (MAST). Each month squad members have at least nine hours of formal training in twice monthly meetings and the monthly review and critique sessions conducted at Huggins Hospital by the Emergency Department staff.

Members also participated in training programs at Lakes Region Mutual Fire Aid Association spring and winter fire schools, the Meadowood County Area Fire School programs in Fitzwilliam in spring and fall, and in the spring, summer, and fall training sessions at Stonehearth Open Learning Opportunities (SOLO) in Conway.

In August the Wolfeboro Rescue Squad, under nomination by the Wolfeboro Rotary Club, received a citation of special recognition from the late Governor Hugh Gallen for the "outstanding volunteer service it has provided the community of Wolfeboro."

We owe thanks to the following: the First Responders of the Tuftonboro Fire Department; Fire Chief "Zip" Foss, his dispatchers and firefighters who assist us; Police Chief Stan Stevens and his officers; Roger Heilig and his staff at Lakeside Ambulance Service; the *Granite State News*; the physicians and nurses at Huggins Hospital's emergency department; town officers, employees, citizens, and civic groups of Wolfeboro. We deeply appreciate the assistance of all these persons.

Respectfully submitted,
PETER FRIEND, Captain
Wolfeboro Rescue Squad

ANNUAL REPORT OF THE MUNICIPAL ELECTRIC DEPARTMENT 1982

The Municipal Electric Department's highest demand of 8330 KVA occurred in January. By utilizing the Diesel Generating Station, the Department was able to reduce the demand to 6656, thereby saving \$18,500.00 of Public Service Company's charges for 1982.

John P. Jones, Superintendent of the Power Plant, resigned effective December 31, 1982. John's knowledge and experience will continue to be available on a part-time basis as the plant will continue to be utilized to shave the peak.

The Public Service Company of New Hampshire, our only supplier, instituted a voluntary peak shaving program and the Department mailed literature to our customers encouraging the conservation between 8:00 A.M., and 11:00 A.M., and 5:00 P.M. to 8:00 P.M.

The rates of the Department, including fuel charges, are regulated by the Public Utilities Commission. The 1982 fuel charges, which are the costs of fuel increases since 1972, averaged \$2.85 per KWH. The monthly charges vary from month to month, however, the 1982 charges are \$.68 per KWH less than 1981.

Public Service Company of New Hampshire did not increase the wholesale rates in 1982, and the Department did not have any rate increases.

The line improvement program, combined with very few wind storms, resulted in only minor outages during the year.

Major additions to the distribution system included several electrically heated condominiums and the Ledges, a twenty-six unit housing complex for the elderly.

Contributions in lieu of taxes, for providing free street lighting and lighting for public buildings, were made to the Town. Christmas lighting was also provided free and the various fairs were set up for lighting at cost.

The bucket truck mechanism was repaired and a truck rented during the one month period.

Florence Long retired from the office staff in November, after serving the Department for twenty-five years. Her knowledge and experience will be missed.

The price of electricity continues to be a burden to the customers of the Department. Over the past several years, the increase in costs has been directly related to increases in our wholesale charges from Public Service Company, which are mostly related to fuel costs.

The budget for the Department, and a balance sheet prepared in accordance with the Public Utilities Commission, appears in this report.

Sincere appreciation is conveyed to all Town employees and officials who supported the Municipal Electric Department in 1982.

DENNIS E. BEAN, Business Administrator
Municipal Electric Department

AUDITOR'S CERTIFICATE

February 3, 1983

We have examined the accounts and balance sheets of the various Town Officers and Departments. Our examination was made in accordance with the auditing standards as required by the State of New Hampshire, Department of Revenue Administration, Municipal Services Division report, and included such tests of the records and other supporting documentation we considered necessary. In our opinion, the statements herein present fairly the results of the operation of the Town Officers and Departments for the year of 1982, with the following exceptions.

EXCEPTION #1

Report of the Town Clerk
RSA 41:35, Rev 505.04

The State of New Hampshire, Department of Motor Vehicles did not submit the list of the total permits issued to the Town Clerk for the year 1982. Therefore we were unable to reconcile the number of permits issued and remaining.

EXCEPTION #2

Report of the Wolfeboro District Court
and the Town Treasurer's Report

The two reports will disclose a variance of \$791.07 issued by the District Court on January 6, 1983, check # 2169. This was reported as received December 31, 1982 in the Town Treasurer's Report.

EXCEPTION #3

In our opinion, the following checks (with dates issued and amounts) should be cancelled through stop-payment proceedings. The monies should be returned to the General Account. If, within the calendar year 1983, the persons request re-issuing of the checks, then that should be done. Otherwise, the monies should become part of the General Account Fund.

Check #	Date	Amount
1102	2/25/82	99.32
1130	3/2/82	22.48
1131	3/3/82	17.17
1330	4/8/82	23.84
1865	7/19/82	1.00
1868	7/19/82	1.00
		<hr/> \$164.81

Respectfully,
JAMES WHITTREDGE HILL
JOHN C. BARKAS
Auditors
